From the President / CEO Nancy Wesson-Dodd

In 2022 YWCA, along with the country, gradually eased out of “pandemic mode.” We released the mask requirement. We re-initiated in-person classes. We returned to in-person events. If the past two years have taught us anything, it’s that people cannot live comfortably and productively without other human beings.

Since 1946 YWCA Corpus Christi has focused on participants’ abilities to MAKE CONNECTIONS. The name of our fitness program is Fitness CONNECTION. We plan and hold classes, events, activities and gatherings so that you, our patrons, can make CONNECTIONS with each other.

Why? Because research repeatedly shows that people who are isolated are far more likely to (a) suffer from depression, (b) engage in unhealthy behaviors, and (c) rapidly decline when they are denied regular interaction with other people. Meaningful and important interactions can include friends, family, exercise buddies, church acquaintances, classmates, even brief encounters.

While seniors are often more seriously affected, young people also need regular interaction with their friends and age-mates. In teaching young girls how successfully to make friends and keep them, the YWTeen Program has enhanced the lives of girls ages 10-12. The YWTeen program is now back in school classrooms--a great step toward happier times and lives!

Remind yourself and tell your friends, family, acquaintances, neighbors and classmates about the benefits you receive through the YWCA! They will thank you for it!

Remember . . .

WE ARE STRONG ALONE FEARLESS TOGETHER

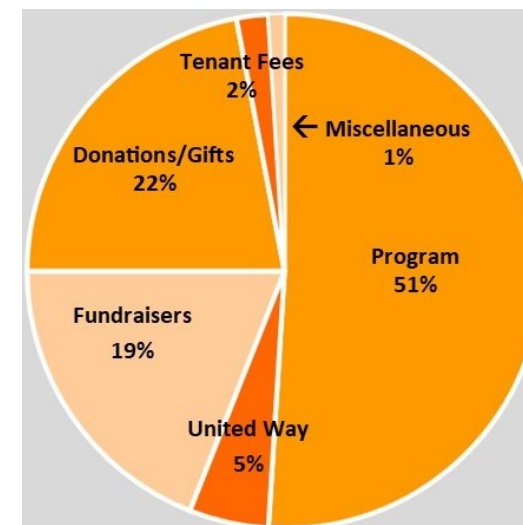

Nancy
